### Description

**5770-04 Purell® Advanced Hand Rub Foam - 1200ml**

---

Purell® Advanced Hand Rub Foam is a fast-acting, non-irritating, and non-flammable hand sanitizer that kills 99.99% of germs, including the latest COVID-19 virus. It is formulated with aloe vera and vitamin E to help soothe and moisturize your skin. The foam is easy to use and dries quickly, leaving your hands feeling clean and refreshed. It is suitable for use in homes, offices, schools, and public places. Each 1200ml bottle contains 1200ml of foam, which is equivalent to 1200ml of liquid. It is a convenient and effective way to keep your hands clean and protected.
