Description

Clorox Hydrogen Peroxide Cleaner Disinfectant Wipes

Clorox Healthcare® Hydrogen Peroxide Cleaner Disinfectant Wipes are engineered as ready-to-use cleaner-disinfectant wipes for healthcare facilities. They are compatible with a wide range of common healthcare surfaces and have a low residue and odor profile. These EPA-registered disinfectant wipes contain hydrogen peroxide and other ingredients to kill most bacteria and viruses on a variety of hard, nonporous healthcare surfaces with contact times of 30 seconds or 1 minute.

Eligible for use against SARS-CoV-2, the virus that causes COVID-19 by Health Canada.

Packed: 6 x 95 sheets. Sold by case only.
