Description

1835528 Hygen Pulse Mopping Kit

Clean more square feet in less time with the new Rubbermaid Hygen Pulse™. Industry-best microfiber, on-board reservoir, and user-controlled release of solution mean cleaner floors faster, easier and more effectively. Red ergonomic trigger handle dispenses three streams of cleaning solution with each press. Light weight construction - weighs only 4 Lbs when fully loaded with solution. High-capacity refillable reservoir holds 21 oz. of solution to clean up to 850 sq ft of floor space. Reservoir windows allow easy monitoring of fluid level. 18" Quick-connect frame included.

Packed : 1/case (2 18" Blue Microfiber mopping pads included)
