Description

91590 (35881) Kleenex Moisturizing Foam Hand Sanitizer

How do you keep the spread of germs when 70% of employees go to work when they are sick? Start here by offering Kleenex® Hand Sanitizer at your workplace to help protect other employees and maintain the productivity of your team.

Clear, 92% (91%) alcohol formula with a light, fresh fragrance.

Kleenex® 91590 is gentle on hands to leave them soft, smooth, without water.

High capacity for long-lasting and continuous flow.

Ready to dispense after the pump is activated.
