Description

Bio-Master Odor Counteractant (Enzyme based).

A concentrated biological/enzyme product for all intense odor problems. Attacks the source of the problem by eliminating the malodor itself, not simply masking it. For use on any water washable hard surfaces as well as carpets, upholstery and other fabrics. Eliminates problematic odors such as smoke / mildew, pet odors, urine, bathroom odors, harsh kitchen odors and malodors from dumpsters.

Packed : 4 x 4L
